
FMEA COLLEGIATE MUSIC EDUCATION DAY

at the Capitol

FMEA will host its **first ever** collegiate advocacy day at Florida's state capitol building on February 23, 2016.

Join us for a special informational session held in the morning, providing students with the tools necessary to meet with district representatives. This is an exciting opportunity to **advocate** for the arts as a community of **passionate** future music educators.

Visit fmea.flmusiced.org to register.

Please contact Dr. Kathleen Sanz at kdsanz@flmusiced.org with any questions.
