NOTES WHEN USING THE LOGO

Logos may not be taken apart and proportions are set. No other logos, symbols, words, design or trademarks should be used in close proximity to or be combined with the logo.

Use the full color version of the logo whenever possible.

The .eps and .pdf versions of the logo are vector/line art and can be resized to any dimension without losing any quality.

The .jpg version of the logo should be used for online purposes (as opposed to print).
