

## SONG A

[Intro]

[Verse]

I don't mind,  
Letting you down easy, but just give it time  
If it don't hurt now well just wait, just wait a while  
You're not the big fish in the pond no more  
You are what they're feeding on

[Pre-Chorus]

So what are you gonna do  
When the world don't orbit around you?

[Chorus]

Ain't it fun?  
Living in the real world  
Ain't it good?  
Being all alone

[Verse]

Where you're from  
You might be the one who's running things  
Well you can ring anybody's bell and get what you want  
See it's easy to ignore trouble  
When you're living in your bubble

[Pre-Chorus]

So what are you gonna do  
When the world don't orbit around you?  
So what are you gonna do  
When nobody wants to fool with you?

[Chorus]

Ain't it fun?  
Living in the real world  
Ain't it good?  
Being all alone

[Interlude]

Ain't it good to be on your own?  
Ain't it fun you can't count on no one?  
Ain't it good to be on your own?  
Ain't it fun you can't count on no one?  
Ain't it fun?  
Living in the real world

[Bridge]

Don't go crying to your mama

'Cause you're on your own in the real world  
Don't go crying to your mama  
'Cause you're on your own in the real world  
Don't go crying to your mama  
'Cause you're on your own in the real world  
Don't go crying to your mama  
'Cause you're on your own in the real world

[Chorus]  
Ain't it fun?  
Living in the real world  
Ain't it good?  
Being all alone

## **SONG B**

[Intro]

[Verse 2]  
Darkness and light, streaming, the end of our life beginning  
No longer alone, my will becomes gone, we melt into one  
Both hands on the floor, you go low  
Who was I before? I don't know  
And who am I now? Your body shows how  
The past just has no meaning

[Chorus]  
Don't stop, I need it  
Release me, it's too hard for me to hold  
My heart bleeding, your touch, it thrills me to the bone  
Oh Lord, forgive us, honest, we've lost control baby  
Nothing can stop this love, nothing can stop this love  
Never gon' get enough, nothing can stop it, oh

[Interlude]  
Ooh Yeah mmmm Oh oh oh

[Chorus]  
Don't stop, I need it  
Release me, it's too hard for me to hold  
My heart bleeding, your touch, it thrills me to the bone  
Oh Lord, forgive us, honest, we've lost control baby  
Nothing can stop this love, nothing can stop this love  
Never gon' get enough, nothing can stop it
